

**XV OPEN CATALONIA INTERNATIONAL
PITCH & PUTT
Lloret de Mar – 22nd-24th April 2022**

With the objective of organising a successful International Open which will be celebrated on April 22nd and 24th of 2022, at the Golf Lloret Pitch & Putt course in the town of Lloret de Mar, the Tournament Committee has established a preliminary pre-inscription date of 14th February 2022 in order to ascertain the approximate number of participants attending the tournament, especially those from other FIPPA associations. This will allow the organising committee to estimate the potential dimension of the event. The definitive **closing date for inscriptions is March 5th 2022.**

Those players, pre-inscribed, will have first preference and will be allocated guaranteed participation assuming they comply with the prerequisite norms applied to the competition. In case a FIPPA member association exceeds the suggested limit of available places, every effort will be made to accommodate those players in the likely event of vacancies from other FIPPA member organisations.

PARTICIPANTS

The initial regulation for inscriptions is:

10 players per member organisation of FIPPA.

55 players reserved for affiliated playing members of the hosting member FICPP.

10 players reserved on behalf of the organising committee.

2 players reserved on behalf of the course committee.

The Catalan Federation of Pitch & Putt will determine which Catalan players will have direct placement based on the most recent Catalan championships and the current Ranking League. Subsequent places for local participants will be determined by means of an open qualifying competition, so as to allow all those interested a possibility to attend the Open. The qualifying competition will be held on the 8th, 9th and 10th of April 2022.

The international competition itself will be held on the 23rd and 24th April with a total of 144 participants. There will not be a “cut”.
